

ARMY ROTC SCHOLARSHIP

SCHOLARSHIPS FOR HIGH SCHOOL STUDENTS

The Army conducts a National Scholarship process for high school seniors who want to be considered for both Four-Year & Three-Year Army ROTC High School Scholarships. The National Scholarship portal (<http://www.goarmy.com/rotc/high-school-students/four-year-scholarship.html>) opens in mid-June for rising senior high school students planning on attending a four-year college program. Army ROTC scholarships pay for full tuition and fees OR room and board (\$10K/year - \$5K/semester). The student makes the choice based on their family financial needs. Once contracted in either the fall of the freshman year for four-year recipients or fall of the sophomore year for three-year (advanced designee) recipients, students will also be eligible for \$600/semester for books as well as the monthly ROTC stipend. The stipend pays \$300, \$350, \$450 and \$500 (tax-free) for the freshman through senior years, respectively.

IS ENROLLING IN ARMY ROTC THE SAME AS JOINING THE ARMY? ONCE A STUDENT STARTS TAKING ROTC COURSES, IS HE/SHE OBLIGATED TO JOIN THE ARMY?

Enrolling in Army ROTC is not, strictly speaking, "joining the Army." You will not be sent to "boot camp." However, the primary purpose of the Army ROTC program is to produce its Officers, so young adults must agree to serve as Officers in the Army after graduation in order to go through the entire program, or if they have received an ROTC scholarship. Enrolling in the [ROTC Basic Course](#) (the first two years of college) does NOT obligate someone to serve unless they have also received a scholarship. For more details, see: [Service Commitment](#).

WHAT IS MY ARMY SERVICE OBLIGATION TO PAY BACK ANY SCHOLARSHIP BENEFITS, OR FOR ENROLLMENT IN THE ROTC ADVANCED COURSE?

Scholarship winners must serve for four years; non-scholarship Cadets who enroll in the ROTC Advanced Course must serve for three years. All who graduate and complete ROTC training are commissioned as Second Lieutenants in the U.S. Army. For more details, see: [Service Commitment](#).

WHAT GOOD IS ARMY ROTC FOR A CAREER OUTSIDE OF THE ARMY?

Army ROTC is one of the only college programs that teaches leadership. This training is invaluable for any career that involves leading, managing and motivating people or fostering teamwork. Young Army Officers are typically responsible for hundreds of Soldiers and millions of dollars in equipment; this kind of management experience can be very attractive for post-Army employers. For more details, see: [About Army ROTC](#).

WHY SHOULD I CHOOSE ARMY ROTC OVER A DIFFERENT BRANCH'S ROTC?

The Army offers a wider range of career opportunities, in more places around the world, than any other U.S. military branch.

WHAT ARE ARMY ROTC COURSES LIKE? HOW WILL THE CLASS WORK HELP ME? WILL ROTC CLASSES INTERFERE WITH MY OTHER STUDIES?

Army ROTC classes normally involve one elective class and one lab per semester. Although the classes involve hands-on fieldwork as well as classroom work, they are standard college classes that fit into a normal academic schedule. These courses can help students with personal and academic decision-making while giving them the tools to exercise leadership in college life, even before graduating and becoming Officers. For more details, see: [Curriculum](#).

HOW WILL BEING AN ARMY ROTC CADET AFFECT MY DAILY LIFE? DO CADETS EXPERIENCE NORMAL COLLEGE LIFE AND ACTIVITIES?

Army ROTC Cadets have the same lifestyles and academic schedules as any other college students. They join fraternities and sororities. They participate in varsity team and individual sports. They take part in community service projects. But there are two intensive Army ROTC courses that take place on Army Posts, usually during the summer:

- [Leader's Training Course](#)—This four-week summer course at Fort Knox, KY is ONLY for students who enroll in Army ROTC without having taken the first two years of military science classes.
- [Leader Development and Assessment Course](#)—All Cadets who enter the Advanced Course must attend this five-week summer course at Fort Lewis, WA between their junior and senior years.

WHAT ARE THE CHANCES THAT I WILL BE DEPLOYED TO SUPPORT THE GLOBAL WAR ON TERRORISM?

It depends on the Army branch the Cadet chooses and the unit to which he/she is assigned. However, Army missions and challenges are always changing, so there's no way to know in advance which specialties and units will be needed where. All Soldiers in the Army or Army Reserve face the possibility of deployment at some point during their careers. But all Soldiers are fully trained and proficient in the tasks and drills of their units. And Officers are specifically trained to make the right decisions so that missions can be carried out safely and successfully.

CAN I GO INTO THE ARMY RESERVE OR NATIONAL GUARD AFTER GRADUATION INSTEAD OF THE REGULAR ARMY?

Yes. Selected Cadets may choose to serve part-time in the U.S. Army Reserve or Army National Guard while pursuing a civilian career. For more details, see: [Active Duty & Army Reserve](#) or the [Army National Guard website](#).
