Donor's Choose

Mrs. Folmar was funded on Donor's choose for her project "ETA hand2mind Daily Math Fluency." This is one of many projects that Mrs. Folmar has successfully funded on this site. She has also secured technology materials such as laptops and a cart! Ask her about the thousands she has raised for her classroom and how these projects have benefited her students. Congrats, Mrs. Folmar.

WLU Invasion

West Liberty Hilltoppers invade! Monarch teachers are stepping aside and allowing professors from West Liberty to teach their classes and talk to their students. Professors from music, business, broadcasting, math, science, etc. come to JM for the 3rd invasion organized by Ms. Wehrheim and the WLU admissions office. Our students always rave about the invasion!

Leo Club to Volunteer in the Community

Mrs. Magers and the Leo Club have been working non-stop! Recently, they have been to Moundview to volunteer and support residents. This club has been seen everywhere around the community working hand in hand with other Leo Clubs. Please support their fundraising raffle for Haunted House tickets being sold in the commons.

Charlie Brown Christmas

The cast has been released! Check out the stars for the fall show *Charlie Brown's Christmas*. This show will be at John Marshall on December 1-2. Clear the date and show your support for Monarch Company! Director Mrs. Filben has a wonderful program prepared.

PSAT at JM

John Marshall will be offering the PSAT to the entire junior class and approximately 40 sophomores. The juniors are taking this test as a benchmark for the spring SAT. Kahn Academy offers students the ability to take their PSAT scores and convert them into a prescriptive learning pathway to work on their strengths and weaknesses. Our teachers will work with students and this program to prep for and improve spring SAT scores.

"You cannot be all things to all students. But sometimes, just sometimes, you will be the right teacher at the right time. You will be the exact teacher that one child needed more than anything."
