

The men and women of VMI are many things.

They are tireless **soldiers**, unrelenting **athletes**, and loyal **friends**.

They are **advocates** for each other, their country, and those who can't advocate for themselves.

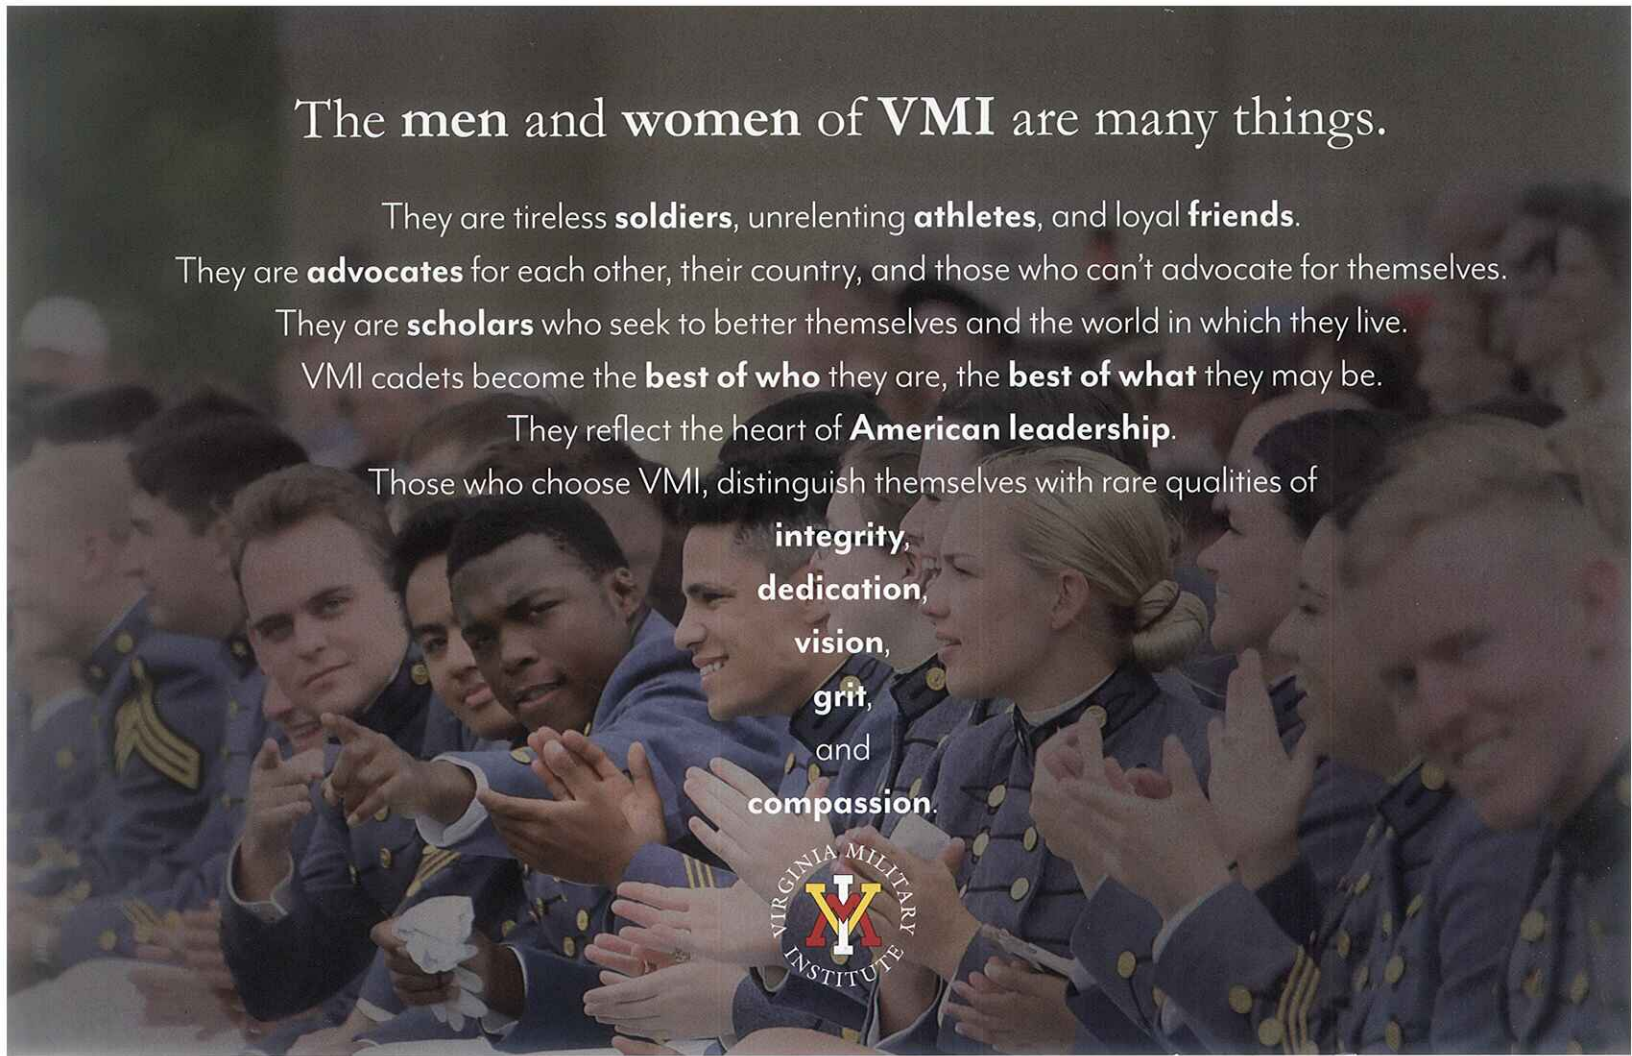

They are **scholars** who seek to better themselves and the world in which they live.

VMI cadets become the **best of who** they are, the **best of what** they may be.

They reflect the heart of **American leadership**.

Those who choose VMI, distinguish themselves with rare qualities of

integrity,
dedication,
vision,
grit,
and
compassion.
