UNIVERSITY of  
**DAYTON**

## *There is power in numbers.*

Considering the University of Dayton is ranked as a top 10 national Catholic university – and one of the most affordable Catholic schools in the country – your students could earn a world-class education at an incredible value. Here are a few ways we're making a difference when it comes to cost:

- **Generous financial aid packages.** We provided more than \$120 million in total aid to our students last year.
- **Merit scholarships.** Awards worth more than \$62,000 over four years are available.
- **Textbooks.** Students can receive up to \$4,000 (over four years) for their textbooks if they visit campus ([udayton.edu/visit](http://udayton.edu/visit)) and file the FAFSA by March 1, 2015.
- **Four-year outlook.** Net tuition cost is guaranteed as part of students' four-year graduation plan.
- **No surprises.** We provide the full cost upfront, and we don't add fees for things like courses, labs or orientation.
