**WHAT IS YSU CRASH DAY?**

**Crash Day** is your chance to “crash” the Youngstown State University campus for a college visit that’s unlike any other! Visit YSU and explore buildings and classes, talk to professors and students, and learn about majors and offerings - all on your own terms.

Get a close-up look at our academic departments. Learn how you can turn your interests into a career. Faculty and staff will guide you through an experience in the academic area you’re interested in, and you’ll be able to sit in on a real college class to see what it’s like.

Meet future friends. Get to know other fresh faces and current students.

See the campus. Check out our beautiful and contemporary campus and residence halls!

Try Youngstown State University on for size. We know choosing a college can seem intimidating, but it doesn’t have to be that way for you. Crashing YSU will help you decide if our university is the right fit.
